InnSight Hotel Management Group Acquires Property in Bend, OR for Future Hotel Development

InnSight Hotel Management Group, in conjunction with its partner 1526 NWW, LLC, has purchased property north of downtown in Bend, Oregon. An upscale hotel is planned for the property, with the brand yet to be determined. 10,000 square feet of retail space will also be developed. Sycan B Corporation is developing the property. The hotel will be managed by InnSight Hotel Management Group and is slated to open mid-2017.

The site is situated across Wall Street from beautiful Pioneer Park on the banks of the Deschutes River in Bend, Oregon. Bend is renowned for its many year-round outdoor recreation opportunities. There are numerous microbreweries located in this stunning mountain city. A large, outdoor concert venue attracts concert-goers throughout the spring, summer, and fall and is only minutes from the future hotel. In addition to a robust tourism industry, Bend has a burgeoning tech sector, and strong healthcare and social services industries.

The hotel will be the centerpiece of the project, and InnSight is currently considering franchise partners as well as the possibility of opening an independent, boutique hotel. InnSight has been managing hotels for more than twenty years, operates eleven award-winning hotels throughout the Northwest, and is opening several new hotels in coming months.
