Mereté Hotel Management Partners with Sycan B Corp. to Open Redmond Airport Hotel

The hotel is projected to break ground in late 2020 with a Fall 2021 opening date

The SpringHill Suites by Marriott Redmond Airport will be managed by Mereté Hotel Management

(Redmond, Oregon) Mereté Hotel Management is partnering with Sycan B Corp. to develop a 113-room hotel near the Redmond Airport. The project is expected to break ground in late 2020 and will open as the SpringHill Suites by Marriott Redmond Airport in Fall 2021. The hotel will be located at 1908 NW Canal Blvd. in Redmond, OR, and owned by Redport, LLC. Sycan B will develop the property and Mereté will operate the hotel under a license agreement with Marriott International. The project includes plans for a second hotel at the site.

“Redmond will benefit from the addition of an upper midscale Marriott hotel,” said Liz Dahlager, Vice President of Market Intelligence for Mereté Hotel Management. “The hotel will offer airport shuttle, has great proximity to the revitalized downtown area and event venues in the area.”

SpringHill Suites by Marriott features spacious suites and complimentary breakfast. The custom-built hotel will offer complimentary airport shuttle, an indoor pool and large fitness center, and complimentary breakfast service. SpringHill Suites is the largest all-suites brand in the upscale tier with 433 current properties and 183 in the pipeline.

Mereté is currently developing two hotels in nearby Bend Oregon scheduled to open in 2020. “We are pleased to expand our presence in Central Oregon with the addition of a hotel in Redmond,” said Richard Boyles, President of Sycan B and Mereté Hotel Management.
